SHINYDOCS MADE IT TO THE 2021 LIST OF BEST WORKPLACES™ IN TECHNOLOGY!

Shinydocs is proud to announce that our organization has been named on the 2021 list of Best Workplaces™ in Technology. Shinydocs, a fast-growing software company based in Waterloo, received this honour after a thorough and independent analysis conducted by Great Place to Work®.

The list is based on direct feedback from employees of the hundreds of organizations that were surveyed by Great Place to Work®. To be eligible for this list, organizations must be Great Place to Work- Certified™ in the past year and work primarily in the technology industry. Shinydocs was recognized as a Best Workplace in Technology based on employee responses to a Trust Index Survey.

“Shinydocs is solving enormous problems for organizations around the world, and that would simply not be possible without our talented and dedicated people,” said Jason Cassidy, CEO of Shinydocs. “We are thrilled and grateful to be recognized as a Best Workplace in Technology this year. I am looking forward to continuing to build our exceptional team as we grow and evolve as an organization.”
